## Tennessee Golf Foundation Junior Golf Clinic Program Policies

It is our goal to ensure that each of our students has a safe, enjoyable and productive learning experience. As such we ask that all participants abide by the following policies throughout the course of their program.

**Registration:** All registrations will be accepted in the order in which they are received. Students may register by submitting a paper application via mail or email. Full payment is required at the time of registration in order to secure a program slot. Participants will receive an email confirmation when their application has been processed and accepted. Once a class fills students will be added to the Waitlist. We will do what we can to add them to the class but no guarantees can be made.

**Refunds:** Students may request a full refund of their tuition fee up to 48 hours prior to the first scheduled class session. Requests may be made in writing or email ([hechols@tngolf.org](mailto:hechols@tngolf.org)). No refunds will be available following the 48 hour deadline.

**Missed Class Sessions:** There is no refund for missed class sessions once a program starts. Students are encouraged to select programs that will fit their schedule throughout the series.

**Inclement Weather:** If you are in doubt regarding class status due to weather, please call the Golf Shop for an update. If a class session must be cancelled due to inclement weather, the Tennessee Golf Foundation will attempt to notify students through email if at all possible once a decision is made. We will make every effort to reschedule cancelled sessions, but cannot guarantee dates or times that are convenient for every participant's schedule.

**Student Safety:** Safety is our first priority and as such we must require that all students adhere to all program safety rules at all times. Failure to follow the prescribed safety rules will result in removal from the class session and if unsafe behavior is repeated the student may be removed from the remainder of the program. There shall be no refunds for remaining sessions should a student be expelled for violation of class safety rules.

**Dress Code:** All students must abide by the dress code. Collared shirts are required, shorts and athletic shoes are allowed. No T-shirts, athletic apparel or blue jeans are allowed.

**Golf Etiquette and Courtesy:** Students are at all times expected to behave in a courteous manner consistent with expected golf course and program standards. Disruptive behavior or actions that may cause damage or injury to the golf course, equipment, any other student or staff member is not acceptable and may result in removal from the class session or in the case of repeated infractions the student may be expelled from the remainder of the program. Abusive or profane language or other disruptive dialogue that detracts from the enjoyment and learning opportunities for other will also not be tolerated.

**Class Observation:** Parents are welcome to observe their child's class. We ask that parents respect the boundaries of the class and observe from a reasonable distance unless invited to engage in the class by the instructor. Please feel free to encourage and congratulate your child when appropriate, but also please refrain from any criticism or unsolicited instructional advice during the actual lesson. If you have any questions regarding your child's instruction program, please feel free to discuss those questions either before or after the actual class session with the instructor.

**Special Needs:** Please notify us prior to the first class session if your child has any medical conditions, allergies or other special needs of which we should be aware.

**Please return completed form with payment to:** Beverly Park Golf Course  
5311 Beverly Park Circle  
Knoxville, TN 37918

For more information call us at (865) 689-6445 or email [hechols@tngolf.org](mailto:hechols@tngolf.org).

*Thank you and we look forward to a very rewarding and enjoyable learning experience for your child.*
